**Each bag purchased
donates \$5 to Children's
Miracle Network Hospitals
through CU4Kids.**

Java4Kids partners with credit unions like yours to raise funds for Children's Miracle Network Hospitals through CU4Kids, a non-profit organization. We do this by selling delicious, ethically sourced coffee online.

When your members buy Java4Kids coffee, they're directly contributing to life-saving care and research through Children's Miracle Network Hospitals, which then directs funds to the 170 non-profit children's hospitals they support.

We've partnered with DBSI as our exclusive designer and supplier of Java4Kids coffee stations. With a shared focus on community, culture, and collaboration, this partnership is a perfect fit—just like that first great cup of coffee.

(And yes, tea lovers—we see you too. We promise you won't be left sleeping on the sidelines.)
