

# Ensuring Technology is a Seamless Fit

---

**B. A. Eastwood – Director of Architectural Services**

**Maryn Wilson – Architectural Coordinator / Millwork & Equipment Specialist**

**What does this mean?**

**Ensuring  
Technology  
is a  
Seamless Fit**

- ❑ Not doing Tech just for “Tech sake”
- ❑ Tech that fits the Strategic Intent
- ❑ Tech that fits properly into millwork
- ❑ Train the Trainers
